Empowering Women Embracing Families

By engaging in meaningful discussions and sharing insights, we can collectively create a more inclusive and supportive society where the well-being of women and families is a top priority.

EVENT SUMMARIES

Wednesday, March 11

8:30 – Mothers as Agents of Global Stability: The Power of Women-Led Self-Reliance

- Discover an enlightened perspective of self-reliance which transforms individuals, families, and communities. Real stories and proven models of women who are achieving lasting economic stability and generational change.

9:55 – No Justice: The Hidden Side of Surrogacy

- An investigative look at the global surrogacy industry and its hidden human costs. Through expert analysis and documentary evidence, this session examines exploitation, legal risks, and the impact on women and children.

11:20 – Exploring Global Digital Trends, Youth Vulnerabilities and Solutions

- Today's digital world exposes youth to rising risks—from addictive design to exploitation and harmful content. Learn practical tools families, communities, and policymakers can use to protect children and create safer online spaces.

12:45: – Architects of Humanity: Why Motherhood is a Global Priority

- Early childhood bonds shape lifelong mental, emotional, and social health. This research-based session highlights the irreplaceable role of mothers and why supporting motherhood strengthens women, children, families, and society.

2:10 – Gender Ideology: Injustice for Women

- How do “gender” policies impact women's rights, safety and equal opportunities? Experts explore legal and social impacts on women-only spaces and access to justice.

3:35 –The Future is Pro-Life: Generation Z Takes the Lead

- Young leaders around the world are reshaping the conversation on life, family, and human dignity. Learn how Gen Z is building a culture that supports both mothers and children. Be equipped to communicate effectively and lead positive change in your community.

Thursday, March 12

8:30 – Rebuilding the Heart of Society: Moral Courage, Strong Families, and Women Leading the Path Forward

- Declining marriage and fertility are reshaping societies. Explore how women's leadership and strong families can restore resilience, stability, and hope for the next generation.

9:55 – Restoring Trust and Respect Between Men and Women

- As relationships grow more divided, families suffer. This session examines the causes of distrust between men and women and offers practical paths toward cooperation, fairness, and mutual respect.

11:20 – The Human Cost of IVF – Ethical, Legal and Social Implications of Reproductive Technologies

- IVF promises hope but raises serious ethical and medical questions. Experts explore the impact on women, children, and human dignity while discussing responsible and compassionate alternatives.

12:45 – A Girl's First Advocate: The Protective Power of Parental Rights in Securing Justice for Young Girls

- Parents are a girl's first and most powerful source of protection, guidance, and advocacy. research consistently shows that family structure, strengths, and stability are the greatest safeguard for girls, well-being, and long-term success. Learn how empowering parents helps secure justice and opportunity for every girl.

2:10 – Justice and Equality Begin in the Womb – Every Life Deserves a Chance

- Justice starts with protecting the most vulnerable. This session examines the human rights, social, and ethical implications of abortion and calls for solutions that value both women and children.

3:35 – Voices That Build Justice – Restoring Dialogue in a Fragmented World

- Access to justice depends on trust, relationships, and strong communities. Discover how rebuilding dialogue within families and institutions creates more humane and effective solutions for women and girls.
