

Justice and Equality begin in the Womb

EVERY

DESERVES
A CHANCE

Each year, 73 million unborn children lose their lives through abortion. Worldwide legal systems and global rhetoric become increasingly hostile to the unborn child.

EXPECTED OUTCOME

1. Better understanding of the ways how the West spreads its Pro-Choice ideology
2. Examination of how equality narratives relate to the global export of abortion
3. Insight into the rise of selective abortions and their implications for women's rights and psychological well-being
4. Foster constructive dialogue on justice, dignity, and unborn life
5. Encourage reflection and concrete action on how laws and policies can uphold women's dignity and well-being
